

Tile Fundraiser Artwork Guidelines

- ✓ 8" square
- ✓ Self-portrait
- ✓ Colorful!
- ✓ Submit by
8/8/25

Be sure your artist follows our artwork guidelines:

1. Artwork should be created on clean, white paper in an 8 inch by 8 inch square. Paper is available at the Discovery Center for tiles, or you can use some you have at home.
2. Artwork must be a self-portrait of a child. Adults may create a self-portrait of themselves as a child.
3. Do not use photography, magazine cutouts, or copyrighted images.
4. Use bright, bold colors to create vibrant artwork that fills the entire square.
5. Work with markers, water colors, crayons, bold colored pencils, tempera paint, acrylic paint, or paint sticks.
6. Avoid using light colored pencils, florescent colors, highlighters, or 3D elements like glitter, feathers, and googly eyes.
7. Fill the full square, but keep important elements at least 1 inch away from the edge of the paper.
8. Submit art by August 8, 2025.
